

## Product Data Sheet

### Golden Chief® Apron

The next generation Golden Chief® Leather Apron has been updated to ensure compliance with ISO11611:20 Protective clothing for use in welding and allied processes.

Golden Chief® Leather Aprons are perfect for lighter work where a jacket is not required and can be combined with sleeves. It also works well in heavy duty applications where additional protection is required over a welding jacket.

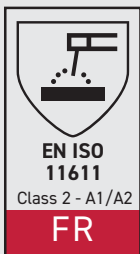

Made from selected soft, premium Golden Chief® Nubuck leather and includes a front pocket and 2 D-rings (Metal).

#### Features

- Premium Nubuck leather
- Lightweight and extremely durable
- Leather straps and quick-release buckles
- Front pocket
- Riveted (Metal) reinforced wear areas
- Two front D-rings (Metal) for gear attachment
- Sewn with heat resistant aramid thread.

#### Certifications and Standards

Elliotts Golden Chief® Leather Welding Apparel has been certified to ISO 11611 Protective clothing for use in welding and allied processes.
