

The Big Red® Welding Gloves

The Big Red® welding glove is famous in the Australasian welding market and sets the benchmark for professional welding gloves. The Big Red® is designed for extra durability and comfort, we only use the highest quality leather and cotton liners. Wear seams are welted for additional protection and all seams are sewn with heat resistant Kevlar® thread for extra durability.

The Big Red® welding glove is manufactured from soft, premium, selected red butt Big Red® leather.

Features

- Manufactured from soft, premium, selected red butt Big Red® leather
- Fully lined with 100% cotton to improve heat protection and manage perspiration
- Wear seams are welted for additional protection and wear life
