

Product Data Sheet

Kev Blue™ XT Welding Gloves

The Kev Blue XT has all the features of the famous Kev Blue, extended to a total length of 680mm for serious lower and upper arm protection. In certain welding situations, the Kev Blue XT can be worn with an apron and still offer very good full frontal protection without the need for a welding jacket or welding sleeves.

Features

- Manufactured from soft, premium, selected butt leather
- Additional leather reinforcing covering the palm and thumb area
- Extra reinforced knuckle bar strip across the back of the hand
- Contact heat resistance level 2 - 250C for 15 seconds (EN407)
- Wear seams are welted for additional protection and wear life
- Sewn with heat resistant aramid thread for extra durability
- Length: 680mm.

Materials

- Grade A Butt Leather
- Cotton fabric lining
- Aramid thread stitching.

Certifications and Standards

These Gloves are certified by BSI to AS/NZS 2161.4:1999 Occupational Gloves for protection against thermal risks (heat and fire).
