### MEC-FLEX UTILITY GOLD C5 360

The Mec-Flex® Utility Gold C5 360 offers the combination of 360° or total palm, back of hand and finger wall Cut 5 protection with a soft durable leather palm and breathable Spandex back of hand.

- Full 360° Dynamax Cut level 5 protection on the palm, back of hand and all finger walls.
- Soft, durable goat leather palm, with reinforced wear points on the fingers.
- Black two-way form fitting stretch spandex on the back of the hand increasing ventilation fit and comfort.
- Neoprene cuff with hook & Loop pull closure for a secure fit, minimising objects entering the glove.
- Ergonomically designed form-fitting 3 dimension patterns.
- Kevlar® stitched palm for added durability.

### Mechanical Hazards - Performance Levels

Test	Level 1	Level 2	Level 3	Level 4	Level 5
A: Abrasion resistance	100	500	2000	8000	-
B: Blade cut resistance	1,2	2,5	5,0	10,0	20,0
C: Tear resistance	10	25	50	75	-
D: Puncture resistance	20	60	100	150	-

Information regarding protection refers to the working surface, i.e the palm of the glove which has been submitted for testing. The overall classification for gloves with two or more non-interconnected layers does not necessarily reflect the performance of the outermost layer. The protection levels indicated are only valid for new gloves.
